Quarantined Scholars  
Virtual Instructional Plan 2021-2022  
Parent Version

This Virtual Instructional Learning Plan outlines our process for continuing instruction in a virtual setting in the event your scholar has to quarantine/isolate due to COVID-19 exposure or infection. Our plan is based on the APS Quarantine Instructional Guidance.

Individually Quarantined/Isolated Scholars:

- Once your scholar has been quarantined/isolated, The Covid Response Team will do the following;
  - Notify impacted parents/guardians directly via phone
  - Issue district response letter to persons in close contact (physical copy or email)
  - Send Atlanta Public Schools issued device home with scholar, following parent/guardian signature acquired for documentation.
  - Parents/guardians will be provided information to access asynchronous assignments (located in Google Classroom)

Full Class Quarantine/Closure:

- Once an entire class has been quarantined/isolated, The Covid Response Team will do the following;
  - Notify impacted parents/guardians directly via phone
  - Issue district response letter to persons in close contact (physical copy or email)
  - Send Atlanta Public Schools issued device home with scholars, following parent/guardian signature acquired for documentation.
  - Parents/guardians will be provided information to access asynchronous assignments (located in Google Classroom)
  - Teacher will provide instruction virtually via Zoom

## Virtual Instruction for Quarantined Classes:

Pre-K:

Pre-K scholars will use the Seesaw platform in MyBackpack for virtual learning

K-5:

K-5 scholars will use Zoom for instruction.

- Your scholar's homeroom teacher will schedule a Zoom meeting and place the link in Google Classroom at the top of the page in the "Classwork" tab.
- Scholars will log into Zoom for live instruction during the school day.
- Below is a link to additional parent directions for how to login to Zoom if parents have trouble accessing the link in Google Classroom:  
<http://tinyaps.com/?parent>
- Special Education and ESOL teachers will access your scholar's homeroom teacher's Zoom link to join a breakout room with individual or small group of scholars. This will allow them to provide services as needed.

Specials:

- Special teachers will join your scholar's homeroom teacher's zoom during special area class time.

Zoom and Assignments:

- If your scholar is not logging in on Zoom for live instruction, a phone conference with you and the teacher will be scheduled so that we can partner on the best way to support your child.
- If your scholar has not completed the Google Classroom assignment within 3 days, the teacher will contact for your assistance. If your scholar needs additional support, please contact your scholar's teacher.
- If your scholar is quarantined/isolated for more than 5 school days, the teacher will check in with the scholar and parent (phone/zoom) to provide any assistance needed.
- If your scholar is sick and unable to complete the assignments, additional time will be allowed to complete assignments once he/she is feeling better. Please be sure the contact the child's teacher and/or the main office at 404-802-8150 if your child is ill.

### Academic Apps: MyBackpack

Although there are multiple apps provided in MyBackpack, our teachers will most likely use the identified apps below, as they allow your scholar to access instructional videos/lessons prior to completing assignments:

- Nearpod
- Zearn
- GoFormative
- BrainPOP
- Seesaw
- HMH
- IXL
- Studies Weekly
- STEMScopes
