Quarantined Scholars
Virtual Instructional Plan 2021-2022
Parent Version

This Virtual Instructional Learning Plan outlines our process for continuing instruction in a virtual setting in the event your scholar has to quarantine/isolate due to COVID-19 exposure or infection. Our plan is based on the APS Quarantine Instructional Guidance.

Individually Quarantined/Isolated Scholars:

- Once your scholar has been quarantined/isolated, The Covid Response Team will do the following;
 - Notify impacted parents/guardians directly via phone
 - Issue district response letter to persons in close contact (physical copy or email)
 - Send Atlanta Public Schools issued device home with scholar, following parent/guardian signature acquired for documentation.
 - Parents/guardians will be provided information to access asynchronous assignments (located in Google Classroom)

Full Class Quarantine/Closure:

- Once an entire class has been quarantined/isolated, The Covid Response Team will do the following;
 - Notify impacted parents/guardians directly via phone
 - Issue district response letter to persons in close contact (physical copy or email)
 - Send Atlanta Public Schools issued device home with scholars, following parent/guardian signature acquired for documentation.
 - Parents/guardians will be provided information to access asynchronous assignments (located in Google Classroom)
 - Teacher will provide instruction virtually via Zoom

Internet Access:

- If you need a hotspot to access the internet, please contact the school's technology contact, Mrs. Mitchell at 404-802-8150. She will coordinate with district personnel to issue you a hotspot. There is only one hotspot per household.

Virtual Instruction for Quarantined Classes:

Pre-K:

Pre-K scholars will use the Seesaw platform in MyBackpack for virtual learning

K-5:

K-5 scholars will use Zoom for instruction.

- Your scholar's homeroom teacher will schedule a Zoom meeting and place the link in Google Classroom at the top of the page in the "Classwork" tab.
- Scholars will log into Zoom for live instruction during the school day.
- Below is a link to additional parent directions for how to login to Zoom if parents have trouble accessing the link in Google Classroom:
<http://tinyaps.com/?parent>
- Special Education and ESOL teachers will access your scholars homeroom teacher's Zoom link to join a breakout room with individual or small group of scholars. This will allow them to provide services as needed.

Specials:

- Special teachers will join your scholar's homeroom teacher's zoom during special area class time.

Zoom and Assignments:

- If your scholar is not logging in on Zoom for live instruction, a phone conference with you and the teacher will be scheduled so that we can partner on the best way to support your child.
- If your scholar has not completed the Google Classroom assignment within 3 days, the teacher will contact for your assistance. If your scholar needs additional support, please contact your scholar's teacher.
- If your scholar is quarantined/isolated for more than 5 school days, the teacher will check in with the scholar and parent (phone/zoom) to provide any assistance needed.
- If your scholar is sick and unable to complete the assignments, additional time will be allowed to complete assignments once he/she is feeling better. Please be sure the contact the child's teacher and/or the main office at 404-802-8150 if your child is ill.

Academic Apps: MyBackpack

William M. Boyd Elementary School

Although there are multiple apps provided in MyBackpack, our teachers will most likely use the identified apps below, as they allow your scholar to access instructional videos/lessons prior to completing assignments:

- Nearpod
- IXL
- Studies Weekly
- STEMScopes
