

# WMES' One Fair 2018-19

---

September 26, 2018

Dear West Manor Family,

3rd -5th grade students are invited to participate in West Manor's One Fair. The One Fair consist of social studies, science and engineering projects. This is an Atlanta Public School initiative that provides students the opportunity to use scientific, social science and the engineering design skills.

What are the benefits of participating in West Manor's One Fair? You will become the primary investigator in an area that piques your interest while acquiring the following skills used to solve real world problems. These skills include:

- Critical Thinking
- Creative Problem Solving
- Research
- Communication

Attached are the One Fair requirements and tips for creating a successful project. On the back of this letter is the timeline. If you have any questions or need further assistance, please contact Ms. C. Anderson [cnanderson@atlanta.k12.ga.us](mailto:cnanderson@atlanta.k12.ga.us) or Ms. Diggs [Kayla.Diggs@atlanta.k12.ga.us](mailto:Kayla.Diggs@atlanta.k12.ga.us)

We look forward to seeing your One Fair project. Happy investigating!

Sincerely,

One Fair Committee
