# Toomer Day One Update

*Celebrating 150 Years of APS*

Next year, Toomer ES will temporarily use the Coan Middle School Facility (1550 Hosea Williams Dr NE) while our school is undergoing a renovation.

We want you to be Day One Ready, so we are updating families and students on our new walk zone while at Coan.

Our APS Transportation Team has walked the 1-mile zone to ensure students can safely walk to school. Check if you are in the walk zone here: <https://tinyurl.com/ToomerWalkZone>

If you have questions or concerns, please use Let's Talk.
