

L. P Miles Elementary

Fourth Quarter Return to Learn: Reopening Phase II

<https://www.atlantapublicschools.us/miles>

	High-level Overview
Safety Protocols/PPE/ Student Transitions	<p>Safety Protocols:</p> <ul style="list-style-type: none"> All staff members entering the building will have temperatures checked daily by the nurse and/or designated staff member. Anyone who registers a temperature must immediately report to the care room for home transport. Their temperature will be documented on the symptoms screening sheet and reported to the district. Anyone entering the building must wear a mask at all times. Once inside the building, teachers/staff must report directly to their classroom/offices. Staff must wear a mask as they speak and move throughout the building. Everyone will practice at least 6 feet of social distancing at all times. Congregating in hallways or rooms is prohibited. Once tasks have been completed for the day, staff will immediately exit the building. Social distancing signs and floor decals will be used to mark appropriate spacing where applicable. Parents will not enter the building. <p>Student/Staff PPE:</p> <ul style="list-style-type: none"> Student desk guards/partitions Student masks Staff face shields and masks Hand sanitizing stations Individual bottles of hand sanitizer Latex gloves Disinfecting wipes Disinfecting spray Water bottle filling stations <p>Student Transitions:</p> <ul style="list-style-type: none"> Students will remain in the homeroom class for breakfast and lunch Students will travel to their specials classes Specials teachers will have a 10-minute interval between each class for classroom sanitizing
