

Celebrating 150 Years of APS

APS “TOP 10” THINGS TO KNOW FOR SUMMER 2023

APS students and families, we’ve prepared a Top 10 list for you! Here are 10 useful pieces of information to help you have a great summer and a great start to next school year.

NOW

1. Sign the [Hazel Health consent form](#) so your student can access no-cost physical and mental telehealth services during the summer and next school year.
2. Register your teen scholar (ages 16+) for the [Grow with Google summer cohort](#) and they can start the school year with an industry-recognized certification.
3. Is your student enrolled in a summer program? Remember our [Summer Academic Recovery Academy](#) days and hours of operation.
4. Use the [APS summer reading list](#) and visit our [Techivities website](#) for even more resources to keep your student engaged in digital content throughout the summer.
5. Use the [Food Finder](#) to access info about food pantry resources.
6. Read up on [APS enrollment procedures](#) if your student is new; transferring or changing APS schools; or beginning kindergarten this year.

NEXT MONTH

7. Check for new information on the [APS website](#), where we’ll feature a back-to-school section beginning in early July.
8. Follow @APSUpdate for any student code-of-conduct changes and a link to the 2023-24 Student Handbook.
9. Make a note that the APS Back-to-School Bash is one week early this year, so join us at the Georgia World Congress Center on Saturday, July 22nd.
10. Check your school’s website for supply lists and other important school-specific Day One information, and make all those final preparations for Tuesday, August 1st – our first day of the new school year!
