

Cascade Family,

I am honored to serve as Assistant Principal here at Cascade Elementary School. I have served in education for twenty years. I have been with Atlanta Public Schools for twelve of those years. I started my career in Nashville, Tennessee and in Columbus, Ohio. While in Ohio, I received my Master's Degree in Educational Leadership. My next move landed me in Atlanta, GA. My first stop was Young Middle School where I served as a teacher and Instructional Coach. I went on to serve as Content Instructional Specialist for the district serving the Therrell and North Atlanta Clusters. I am elated to be a part of the "Tiger Team"! I look forward to serving everyone who walks through the doors of Cascade Elementary School.

Sincerely,

Felix Ruffin

Assistant Principal

Cascade Elementary School
