

HAZEL HEALTH

is coming to APS!

What is Hazel Health?

Hazel Health is a telehealth service that is being offered to all APS students FREE of charge. These services can be accessed at home or at school.

Services provided by Hazel Health include:

- Same day service for minor health issues
- In-school treatment for headaches, allergies, insect stings, heartburn, stomach pain and more
- In-school assessment and treatment of minor injuries
- In-school mental health services and virtual therapy
- Referrals to outside care providers, if necessary
- Access to Hazel Health services at home

All students will be seen via virtual visit by a licensed doctor or nurse practitioner who will be supported by the school nurse.

When seen by Hazel Health, 90% of students are able to return to class
