Dear Students and Families of The Booker T. Washington High School,

I hope this letter finds you well and filled with excitement for the upcoming school year. As we prepare to embark on the academic year 2023-2024, I wanted to take a moment to extend a warm welcome back to all our returning students and families, as well as extend a heartfelt greeting to our new students joining the Booker T. Washington High School community.

First and foremost, I would like to celebrate the incredible success we achieved together during the previous school year. Despite the challenges we faced, our students demonstrated resilience, determination, and a commitment to excellence that truly made us proud. Your hard work, dedication, and unwavering spirit have set the bar high for the year ahead, and I have no doubt that we will continue to achieve great things together.

I hope that each of you had a restful and rejuvenating summer break, filled with cherished moments spent with loved ones and exciting adventures. As we return to the halls of Booker T. Washington High School, let us carry the memories of those joyful summer days and use them as fuel to propel us forward into a year filled with growth, learning, and new opportunities.

To our seniors, this year holds a special significance as you approach the culmination of your high school journey. We will be celebrating your achievements, reflecting on the memories we have shared, and preparing you for the exciting chapter that lies ahead. Cherish every moment, make the most of your final year, and know that we are here to support you every step of the way.

To our new students, I extend a heartfelt welcome to the Booker T. Washington High School family. We are thrilled to have you join our community, and we look forward to getting to know every one of you. Our school is a place where diversity is celebrated, talents are nurtured, and dreams are realized. We are confident that you will find a welcoming and inclusive environment that will empower you to thrive academically, socially, and personally.

As we embark on this new school year, I want to assure you that the entire staff at Booker T.
