To APS Parents or Guardians:

Atlanta Public Schools (APS) is in the process of updating student records and pre-registering students for the 2023-2024 school year. Our records indicate that your student will be returning to the same school. Therefore, APS requests that you verify that your information is up to date.

In order to verify that your information is up to date, please log-in to your [Infinite Campus Parent Portal Account](#). Our [Parent Portal Help Page](#) includes helpful information including how to set-up your Parent Portal account for the first time and verify that your contact information is up to date.

**Parent Portal Account:** <https://ic.apsk12.org/campus/portal/parents/atlanta.jsp>

**Parent Portal Help Page:** <https://www.atlantapublicschools.us/domain/11609>

If your student's demographic information is correct and there are no updates, please complete the [APS Contact Information Up-To-Date Form](#) located on our website. Once you navigate to our website, look for the Current Student registration button.

If you need to make updates to your student's demographic or residency information in the Infinite Campus Parent Portal, please select the **More Tab to complete Online Registration for Existing Students. Please make all corrections in the Infinite Campus Parent Portal by April 14, 2023.**

If you have any questions, please contact Charissa Morgan at [chmorgan@atlanta.k12.ga.us](mailto:chmorgan@atlanta.k12.ga.us)

As always, thank you for your continued support.

Sincerely,
