Initial Notification

Dear Parent/Guardian,

On April 29, 2024, Atlanta Public Schools will begin to administer the Georgia Milestones End of Grade (EOG) assessments for the 2023-24 school year. All 3rd-5th grade scholars will participate. The assessments are administered in person, in a secure environment.

It is very important for all students to participate in the Georgia Milestones EOG assessments. The Georgia Milestones assessments are designed to provide information about how well students are mastering the state-adopted content standards in specific content areas. Student-level EOG results may be used by teachers to tailor instruction and provide intervention and enrichment opportunities to better meet the needs of your child as they enter the next grade.

If you have any questions regarding Georgia Milestones, please contact your school's test coordinator.
