Spring 2023 College and Career Motivation Week

Guest Speaker Registration Form

You are cordially invited to participate in our annual Martin Luther King, Jr. Middle School **College and Career Motivation Week (CCMW)** scheduled for Monday, February 13th through Friday, February 17th, 2023. The goal of CCMW 2023 is to increase awareness in high-demand fields, yielding the more significant potential for local economic development.

CCMW includes a wide range of age-appropriate activities, including advisory lessons, a College Spirit Day, college and career research, parent engagement, and much more. However, one of the most critical CCMW activities is guest speaker presentations during our Career Day. This is where **you** can help. King Middle School will host our annual Career Day on Thursday, February 16, 2023.

As a valued APS partner, we are asking you consider participating in our Career Day. **Guest speakers for our Career Day will present to small groups of students (25-30) in 25 minutes rotations.**

We are also asking you to spread the word about this worthwhile initiative to your colleagues, friends, and associates. We appreciate any contribution you can make towards a successful College and Career Motivation Week for our students at Martin Luther King Jr. Middle School. Please complete the response form indicating your availability to participate, and your preference to participate in person or virtually.

Please note that when visiting the school building, masks are optional. If you have any questions, don't hesitate to contact us at (404) 802-5400.

Thank you in advance for your availability and willingness to enrich our students' education.

Respectfully,

Johnathan Khabeer, Counselor
