

Martin Luther King, Jr. Middle School Distance Learning Lessons

Jaguar Parents,

To ensure that our students do not experience a disruption in learning if the school is closed for any reason, here is the plan for our students by grade level. Each day, during normal school hours, all students should access Google Classrooms for a letter from their teachers for instructions on their assigned lessons. These lessons may include more than the listed websites. Students should complete their lessons by following their daily class schedule. Teachers will post grades in Infinite Campus by 5pm each day.

	Language and Literature	Mathematics	Science	Individuals and Societies	World Languages	Connections
6th Grade Students MyBackPack Google Classroom	Classworks - (My BackPack. Students must work on grade level assignments in addition to their ILP.)
