## ***Gifted and Talented Education***

*The Parent Referral window for Gifted Eligibility Testing is now open through October 29. If your child was not assessed for first look gifted eligibility last school year, you may refer your child for consideration of gifted eligibility assessments to be held this school year. Students referred by a parent must also meet the additional criterion of a score at the 80th percentile or higher on the district-administered MAP Growth test in either Reading or Math to receive the gifted eligibility assessments. Please click submit one form for each child. <https://forms.gle/kRkh8bCWCwrWm99a8>*

## ***October Reading Challenge***

Please encourage your child to participate in the October Reading challenge sponsored by King and Georgia Tech . Please click below for details.

## **Helen Ruffin Reading Bowl Try-Outs**

The Reading Bowl is a competitive game format where students answer questions about the content of the 10 Georgia Book Award Nominees each year. APS teams, comprised of students from different schools, compete to test their knowledge of the selected books. Reading Bowl Try-Outs will take place on October 13th. Please ONLY read the chapters of the book that has been assigned to your grade level. Students will NOT be able to try out if they select reading material from a different grade. The reading material is on the King Website.
