

July 31, 2022

Hello Jaguar Families,

This is Kim Gibbs the proud principal of Martin Luther King, Jr. Middle School. Tomorrow is the big day, the first day of school for the 2022-2023 school year. We are very excited to welcome our 6th, 7th, and 8th graders back into the building. We have worked all summer to ensure that this will be the best school year ever.

This year we will work hard to continue the legacy of success established by King Middle School by building strong relationships with parents, students, and community partners. We will focus on teaching and learning, continue to use data to drive our instructional practices, and provide consistent implementation of social emotional learning.

You will notice we have developed four core values that represent our King scholars. Our students at King are Respectful, Open-minded, Accountable and Reflective. While at King our scholars will learn and live these core values! We can't wait to partner with you as we get started celebrating teaching and learning and growing academically, socially and physically! As a reminder scholars are expected to be on time at 9:15am (breakfast starts at 9am), in uniform and bring their positive mindset!

Kimberly Gibbs
