A motion was made and approved by all GO Team members that the principal's proposed meeting schedule be approved; however, the meeting time was changed to 6:00 pm to allow parties ample time to get to the meeting. At each meeting, the team will confirm attendance for the next scheduled meeting to ensure that as many members are present as possible. The team agreed that Public Comment will be allowed at each meeting, but shall be limited to ten minutes at the beginning and end of each meeting. All commenters are allowed two minutes to speak. If additional time is needed it can be granted.

A motion was made and approved by all members that the following Team Norms will be added:

1. We will follow the guidelines of the GO Team Handbook.
2. We recognize that as members of the Go Team that we represent the school community at large and will act on behalf of ALL interested parties.

The team would like to see all members listed on the MES website. In addition, a description of the purpose and function of the GO Team and member bios will also be posted. The team proposed that we schedule a work-session to determine our goals for this year's strategic plan. To prepare for this work-session, members of the MES faculty will provide student data by subject and subgroup.
