

## Communication About Student Learning

Humphries Elementary School is committed to regular two-way communication with families about their student's academic success. Some of the ways that families may expect us to reach you are:

- Email
- Robo Calls
- Class Dojo
- Letters
- Social Media
- Newsletter
- Website
- Telephone

Parents may contact their child's teacher, homeroom Class Dojo via email or phone.

## What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides

- strategies to help connect learning at school and at home. Effective compacts:
- Link to academic achievement goals
  - Focus on student learning
  - Share strategies that staff, parents, and students can use
  - Explain how parents and teachers can communicate about student progress
  - Describe opportunities for parents to observe, volunteer, and participate in the classroom

## Jointly Developed

Parents, students, and staff worked together and shared ideas to develop the school-parent compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.

Please call 404-802-8750 or visit our website, [www.atlantapublicschools.us/humphries](http://www.atlantapublicschools.us/humphries), for more information on the school-parent compact.

## *School-Parent Compact 2025-2026 Humphries Elementary School*

3029 Humphries Dr.  
Atlanta, GA 30354  
404-802-8750  
[www.atlantapublicschools.us/humphries](http://www.atlantapublicschools.us/humphries)  
Revised: 8/14/2025

## As Students, we will...

1. Take responsibility for my own actions academically.
2. Respect the value of education by studying and completing my classroom and homework assignments.
3. Work with teachers and administrators regarding personal issues that are interfering with learning.
4. Read daily to enhance my skills in weak subject areas such as literacy comprehension; reading research and writing & Math.

## As Parents and Family, we will...

1. Participate in Open House, Curriculum Parent activities, Parent Conferences and other Parent meetings, and training sessions provided by the school "Parent Day".
2. Visit Parent Resources center to learn more about my child's educational experience.
3. Communicate positively with child and school personnel through progress reports, Thursday folder and letters sent home.
4. Help child set and accomplish realistic, individual goals each year and provide a suitable workspace at home.

## Building Partnerships

Family partnerships are vital to our school community and our school's culture. Humphries Elementary School builds partnerships between the home and school by educating teachers, administration, and other staff by gathering input from families on how to communicate and work with families as equal educational partners. We invite families to connect with us at scheduled parent academic events listed in our Family Engagement Plan.

Mr. J. Trimble, Principal  
Mrs. Connie Todd-Johnson, Asst. Principal  
Mrs. A. Cole, Instructional Coach  
Mrs. Deborah Sumlin, Family & Parent Engagement Facilitator

## Academic Achievement Goals

APS Mission: Through a caring culture of equity, trust, collaboration, every student will graduate ready for college, career, and life.

APS Vision: A high-performing school district where students love to learn, educators inspire, families engage, and the community trust the system.

School Goals: During the 2025-2026 school year, by May 2026 we will increase by 6% the number of students:

1. Math: Scoring at developing and above on the Math GMAS.
2. Writing: Receiving a score in the rubric narrative and informational/opinion writing on the Writing GMAS.

## As a School, we will...

1. Offer parent academic workshops and resources with a focus on Language Arts, Math, Science & Social Studies skills that will support student's learning at home
2. Provide math resources and links on the school website that will help students build math skills.  
Set high expectations and make certain every parent know the expectations of each student's meeting the Ga. Milestones academic achievement standards through our monthly Roadrunner Testing Camps for parents.
4. Build positive relationships with community partners and stakeholders to create an actively learning environment for every student.
