

Douglass Cluster

ESPLOST Dependent

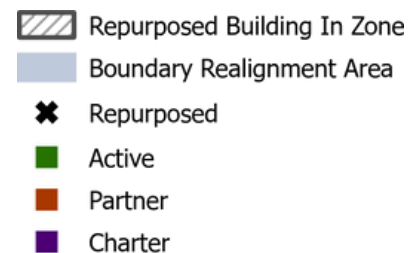

No ESPLOST Funding

RECOMMENDATION - (ESPLOST Dependent)

- Build NEW 700-900 seat Elementary School on A.D. Williams site and combine Usher Collier ES and Williams Scott ES
- Repurpose Usher Collier ES and Scott ES
- Repurpose KIPP Soul Primary & KIPP Soul Academy
- Repurpose FL Stanton; portion of students rezoned to Washington Cluster (closes as PK-5 spring 2027)
- Realign elementary school boundary within cluster
- Repurpose Douglass 9th; Convert Douglass HS to 9-12 (closes as 9th grade anticipated spring 2027)

RECOMMENDATION - (No ESPLOST Funding)

- Repurpose FL Stanton ES for community good (closes as PK-5 spring 2027)
- Maintenance improvements to M A Jones ES and Hollis Academy (K-8)
- Realign boundary; portion to Washington Cluster, others within cluster
- Repurpose KIPP Soul Primary & KIPP Soul Academy
- Repurpose Douglass 9th; Convert Douglass HS to 9-12 (closes as 9th grade anticipated spring 2027)

BENEFITS

- High school boundary remains the same
- More efficient enrollment leads to deeper program offerings
- New elementary school (**ESPLOST dependent**)
- Establishing use for district property
- Possible Early Childhood Center or Professional Learning Space in repurposed buildings
- Avoids up to \$19m in future repair costs
- Operational savings of \$2m - \$4.5m annually
