

Jackson Cluster

RECOMMENDATION:

- Maintenance improvements to BAMO ES, Benteen ES, and Parkside ES
- Repurpose Dunbar Elementary for community good (closes as PK-5 spring 2027)
- Repurpose Toomer Annex and redistribute Pre-K classes to nearby schools (anticipated spring 2027)
- Realign boundaries for Benteen, BAMO, and Parkside
- Jackson HS addition for 300 additional students with capability to expand to 600 in future; Core spaces expanded for 600 additional students (**ESPLOST dependent**)
- King MS addition for 200 additional students (**ESPLOST dependent**)

BENEFITS:

- More efficient enrollment leads to deeper program offerings
- Possible professional learning space/admin, Early Childhood Education
- Maintains BAMO Exceptional ED programming
- Additions to accommodate more students at 2 facilities:
(King MS & Jackson HS) - (**ESPLOST Dependent**)
- Operational Savings \$1.5m - \$2.5m annually
- Avoids \$9m in future repair costs by addressing building needs now
