SPARK Family,

I am absolutely thrilled to share some *incredible* news with you all! 🎉 Our **FANTASTIC** school was recognized at Tuesday's board meeting for achieving a **100 in Content Mastery** and a **100 in Closing Gaps** because of our outstanding growth and achievement on the Spring 2024 Georgia Milestones Assessment. As if that wasn't enough, I just *had* to let Dr. Johnson know that we also scored a **100 in Progress!** 🏆

That's right—we are THE ONLY school in the entire county to achieve **three perfect 100s!** This remarkable accomplishment reflects your unwavering dedication, hard work, and commitment to excellence in supporting our students' academic growth and success. To read more about our CCRPI in greater detail go to the following website and search for Springdale Park <https://ccrpi.gadoe.org/Reports/Views/Shared/ Layout.html>.

To our amazing teachers, staff, and families: *Thank you.* Thank you for going above and beyond every single day to make SPARK the extraordinary place it is. This recognition is a direct reflection of the passion, talent, and care you bring to our school community.

Let's take a moment to celebrate this huge achievement and let it fuel us to aim even higher. Together, we are truly unstoppable!

Keep up the outstanding work, TEAM SPARK! I am so proud of YOU all!

Love y'all, mean it! 💚🐉💚

With Love,

Dr. Jennifer Toney
