Dear SPARK Families,

We can't believe how quickly the year is flying by! Thank you for an amazing seven months of learning, growth, and collaboration. Our students have accomplished so much already, and we are so proud of their hard work.

With the time change and beautiful spring weather, we know it can be challenging to stay focused, but we encourage you to remind your children to stay engaged and finish the year strong. Over the next few weeks, we have several opportunities for students to showcase their learning, including WriteScore, MAP Growth (Reading and Math), and MAP Reading Fluency assessments.

After Spring Break, we'll be in the home stretch, leading up to end-of-year state testing. Please continue to support your child by maintaining a consistent schedule and school routines. They have learned so much, and we know they will give their best effort as always!

Lastly, a quick reminder that our [Student Placement Parent Input Form](#) will close on March 28. We would love for you to share your input! Every year, we ask parents and guardians for input on class placement for their Dragons! Please share considerations for your child(ren) in regards to their class placement for the 25 - 26 school year. Please do not ask for specific teachers, but share information about learning characteristics that will help us place your chil(ren) in the perfect class(es) for next year!

As always, thank you for your partnership and support. Let's finish this year strong!

With Love,

***Dr. Jennifer Toney***
