Dear SPARK Families,

We are thrilled to share that acclaimed Atlanta artist Yoyo Ferro has collaborated with our students to create a stunning mural inspired by the plants and produce from our rooftop garden. This beautiful piece is a celebration of their creativity and connection to nature, and we can't wait for you to see it at Fine Arts Night on Thursday, April 24th! It will be a wonderful opportunity to admire the students' hard work and the incredible collaboration that brought this vision to life. Mark your calendars—we look forward to celebrating with you!

We also want to express our deepest gratitude for your incredible generosity at our annual fundraiser, SPARK After Dark! Thanks to your support, we raised an astounding amount that will directly benefit our students and school community. These funds will help the PTO enrich our curriculum and resources, beautify our school grounds, and take on impactful capital improvements—like the much-needed restoration of our turf, ensuring our children have a safe and vibrant space to play.

With spring break right around the corner, we wish all our families a safe, restful, and rejuvenating week. When we return, we'll be heading into the final stretch of the school year, with just two weeks until end-of-year assessments for grades 3, 4, and 5. Our students performed exceptionally well on the MAP assessments, and we have no doubt they will shine on GMAS as well!

Thank you for being such a vital part of our SPARK community. Your generosity, commitment, and support make all the difference!

With Love,

Dr. Jennifer Toney
