

What is the School-Parent Compact?

The Perkerson Elementary School School-Parent Compact is a written agreement between our school community and parents. This compact explains how the school administrators and teachers, students, and families will work together to make sure all our students reach and maintain grade-level standards. Please review this School-Parent Compact with your child. The School-Parent Compact will be discussed with you throughout the year at different school-family events as we work together to help your child succeed in school.

Jointly Developed

The parents, staff, and students of Perkerson Elementary School developed this School-Parent Compact in agreement and collaboration for the goal of academic achievement and student success. Our School-Parent Compact is reviewed and updated annually based on parent input.

We value this input, and our parents are welcome to contribute comments at any time.

Fostering Parent Partnerships

Parent partnerships are vital to our school community and our school's culture. Perkerson Elementary School builds partnerships between home and school by educating teachers, administration, and other staff by gathering input from our parents on how to communicate and collaborate with parents as equal educational partners. We invite our parents to connect with us at scheduled parent academic events, activities, and workshops.
