

Parents,

We hope you and your family are safe and well! Preferred School Care looks forward to welcoming you back to our after school care program in the coming months. Our top priority in our after school care programs has always been the health and safety of all the children and families we serve. When our after school program returns, we will follow all the CDC, BFTS, and Atlanta Public Schools COVID guidelines to provide a safe environment for your child(ren).

We are excited to announce during the summer months, PSC moved to a convenient, mobile-friendly, online tool to register for our after-school program. **This NEW registration database is called ELEYO!** This registration process will also be used for you to enroll into any “parent-funded” enrichments available at your school. You can manage your ELEYO account from any device, including your smartphone or tablet. You can update emergency contacts, authorized pickup persons, and make payments. More information about ELEYO is located on our website: [www.pscfterschool.com](http://www.pscfterschool.com).

**You can REGISTER NOW with ELEYO for ASP! You will not be billed until our program begins. Follow these steps:**

1. Go to [www.pscfterschool.com](http://www.pscfterschool.com)
2. Under Parent Resources, Click “Welcome to ELEYO”
3. Follow the instructions to register with ELEYO.

Due to Atlanta Public Schools has delayed the start date of classes, PSC will not hold any face-to-face enrichments for Fall 2020. Hopefully, they will return during the Spring 2021 season. However, we will offer **VIRTUAL** enrichments classes that students from **ALL** schools can register.

**Registration is NOW OPEN for virtual online enrichments!** All virtual enrichment classes will be online at a specific time by the same vendors that we have used for many years at our on-site school locations. We feel lucky to have our vendors commit to continue classes online due to the pandemic.

As we begin this unprecedented school year, please know that PSC is here to support our families. Thank you for your continued support of our programs!

Bill Selmon
