

## What Is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan.
- Focus on GA. Standards of Excellence.
- Describe how teachers will help students develop those skills via high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student achievement.
- Provide opportunities for parents to volunteer, and participate in the school.

## Jointly Developed

The parents, staff, and teachers, and students for Coretta Scott King Young Women's Leadership Academy collaboratively developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies and supports, parents added ideas to make them more specific, and students told us what would help them learn. Our annual meeting is held at our End-of-the-year meeting in April 2024 to review the Compact and make changes based on student needs.

*Parents are welcome to contribute comments at any time.*
