SPRINGDALE PARK ELEMENTARY SCHOOL

Dr. Jennifer Toney, Principal • Mrs. Sara Prueff, Assistant Principal
803 Briarcliff Road, NE Atlanta, GA 30306 (404) 802-6051

Dear SPARK Dragons,

As we navigate the ever present demands of our time, I am reminded of the incredible strength that comes from a united community. Our school has always been more than a place of learning—it is a hub for support, growth, and connection. Now more than ever, it's essential that we come together to uplift and encourage one another.

I want to ask each of you to take a moment to reach out to fellow parents and caregivers. Whether it's a quick text, a phone call, or a chat at drop-off, the relationships we build with one another are the foundation of a strong, resilient community. When we lean on each other, we create a web of support that helps every family and every child feel seen, valued, and cared for.

Even the smallest gesture of kindness can make a difference in someone's day. Together, we can create an atmosphere where no one feels alone. Whether you're new to the school or have been a part of our family for years, we all have something unique to offer—and we are stronger when we share that with each other.

I invite you to get involved, whether through school events, volunteering, or simply by checking in on a fellow parent. These moments of connection remind us that we are in this together. Let's continue to lift each other up, offering support, encouragement, and friendship along the way.

If you're interested in volunteering this year, please complete the following form: [24-25 Volunteer Clearance Request](#). We will begin the process on your behalf with the district's Office of Safety and Security and be in touch with you regarding next steps.

Thank you on behalf of the SPARK team for being part of this vibrant community. We are stronger together, and I am so grateful for the kindness and care you show one another.

With Love,

Dr. Jennifer Toney
