

Washington Cluster

-  Repurposed Building In Zone
-  Repurposed
-  Converted to PK-5
-  Active
-  Partner
-  Charter

RECOMMENDATION:

- Finch & Perkerson ES students combine at converted Sylvan building (anticipated fall 2028)
- K-12 students in area move to Washington Cluster
- Repurpose Finch ES and Perkerson ES buildings for community good (close as PK-5 spring 2028)
- Sylvan MS students move to Russell West End MS in Washington Cluster (Sylvan to close as 6-8 spring 2027)
- Boundary: Accept portion of students from repurposed FL Stanton ES
- Hollis remains a PK-8; Receives condition improvements (*consider pool improvement)
- Booker T Washington HS remains cluster HS, offering district-wide choice into new specialized medical and health sciences pathways and select CTAE/ACCA courses (**ESPLOST Dependent**)

BENEFITS:

- Enrollment + Programming benefits at Washington HS with CTAE/ACCA courses offering accelerated Diploma pathways (**ESPLOST Dependent**)
- Expands STEAM Programming w/ Medical Pathways at Washington HS
- Boost to enrollment, accept new students when Carver HS becomes a district-wide School of the Arts
- Possible Early Childhood Center or Professional Learning Space in repurposed buildings
- Sylvan building converts to an elementary school for Finch and Perkerson students
- Operational savings \$3m - \$4m annually
- Avoids \$15.2m in future repair costs by addressing building needs now
- Facility Condition Improvements at 2 schools (Hollis & Washington) - (**ESPLOST dependent**)
