

# ACTIVITIES TO BUILD PARTNERSHIPS

Join us for discussions on various topics throughout the school year to help support your child as they transition through elementary school. Learn about Toomer Elementary School's goals and how we will achieve these learning goals.

- We will provide parents with frequent reports on their child's progress through the Campus Parent Portal/Infinite Campus, parent teacher conferences, and home-school communications.
- Provide opportunities for parents to volunteer and participate in their child's class and to observe classroom activities.
- Provide parent meetings for feedback, workshops, and events to help parents understand and assist in decision making activities regarding school and district goals.

Toomer Elementary is committed to frequent two-way communication with families about students' learning. Some of the ways you can expect to hear from us are:

# WHAT IS A SCHOOL-FAMILY COMPACT?

A school-family compact is an agreement that care givers, students, and teachers develop together. It explains how care givers and school staff will work together to make sure all our students continue to grow academically.

Effective compacts:

- Link to goals of the school-wide plan. Focus on student learning.
- Describe how teachers will use high quality instruction to help students learn.
- Share strategies parents can use at home to support the learning.
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.
