

JYC is Changing the World... One WOLFBUCK at a Time!

At JCY, we believe in the power of positive reinforcement to ensure that our students display behaviors aligned with our school-wide essential agreements. Via the app [LiveSchool](#), "Wolfbucks" fuel our token economy and can be awarded to students by any adult on staff!

Q: Are Wolfbucks used for other reasons besides cash-out?

Yes, approximately 7% of students qualify for "First Friday Celebrations" at no expense. Also, semi-annual celebrations are planned for groups of students we call "Houses."

Q: How many Wolfbucks can students earn at one time?

"Wear uniform all week" is the only behavior that earns students 5 Wolfbucks (\$5 dollars); all others earn students 1 Wolfbuck.

Q: Do students have to purchase rewards each First Friday?

No, since rewards differ in price, many students save Wolfbucks to purchase more expensive items at a later cash-out.

Q: How do students spend their Wolfbucks?

On the "First Friday" of every month during Advisory, students are allowed to cash-out (purchase items) from the "Rewards Bank" on the LiveSchool App.

Q: Can parents access LiveSchool?

Yes, all parents need is an access code, which students can access on their dashboard, at via parent.liveschoolapp.com

Q: Can students view Wolfbuck' balances and rewards in LiveSchool?

Yes, students can access their totals and see rewards' list via the Clever/SSO app in "myBackpack."
