803 Briarcliff Road, NE Atlanta, GA 30306 (404) 802-6051

Dear SPARK Dragons,

As we swiftly approach the end of another wonderful school year, we want to take a moment to remind you of some exciting upcoming events and to emphasize the importance of finishing the year strong.

First and foremost, we have the eagerly awaited SPARK end-of-year foam party on the horizon! This promises to be an unforgettable celebration for our students, filled with laughter, joy, and lots of foam-filled fun. Please keep an eye out for further information from your child's teacher regarding specific details and arrangements for this event.

Additionally, we have our annual classroom awards ceremony, a time to honor and recognize the hard work, dedication, and achievements of our students throughout the year. It's a momentous occasion for both students and parents alike, and we encourage you to attend to share in the pride and accomplishments of your child.

Lastly, we will be having a classroom party to mark the end of the school year, a time for students to come together one last time to celebrate their friendships and accomplishments. Details about this event will also be communicated by your child's teacher in due course.

With only three weeks remaining in the school year, we kindly ask for your continued support in reinforcing a strong finish. Encourage your child to remain focused, diligent, and engaged in their studies until the very end. Let's work together to ensure they come to school on time, prepared to learn, and ready to have fun in these final weeks.

Thank you for your ongoing support and cooperation throughout the year. We look forward to celebrating the successes of our students together and ending the school year on a high note.

With Love,

Dr. Jennifer Toney
