Dear SPARK Families,

We are thrilled to share some wonderful news with you! Our students' hard work and commitment to learning have been recognized in a truly remarkable way. This year, our school has been awarded the prestigious Literacy Leaders Award by Georgia's State Superintendent, Richard Woods! 19 schools in APS earned this distinction out of a total of 324 across the state. We are honored to be among this group.

This honor is a testament to the dedication and enthusiasm of our students, teachers, and families in building strong literacy skills. Our 3rd and 5th-grade students truly shone by earning awards for both proficiency and growth in literacy! This achievement is a result of the collective effort, perseverance, and commitment from every corner of our school community, and we couldn't be prouder.

We celebrate this success with all of you, knowing that these accomplishments are the foundation for lifelong learning. Thank you for the role each of you plays in nurturing a love of reading and supporting your children's education. We're excited to continue building on this momentum and look forward to even more accomplishments in the future!

With Love,

***Dr. Jennifer Toney***
