1. Our ESSA speaker is August Ogletree with the Georgia Department of Education. She will give an introduction to the Every Student Succeeds Act and Georgia's new school accountability plan (which was approved by the U.S. Department of Education last week).
2. We are currently still securing IB speakers and a specialist in the Primary Years Program will hopefully be secured today. Crossing our fingers!
3. The RFP for our grant (guaranteed for all schools!) will be explicitly modeled off of grant offerings from the Governor's Office of Student Achievement/GA Department of Education.
