WHAT IT MEANS TO BE A TITLE I SCHOOL?

- Toomer has been identified as a Title I School. Title I is designed to support state and local school reform efforts to improve teaching and learning for students.
- Title I programs are based on effective means of improving student academic achievement and include strategies to support parental engagement.
- All Title I schools must jointly develop with all parents a written School Parent Compact and Parent and Family Engagement Plan.

WHAT IS PARENT AND FAMILY ENGAGEMENT?

Parent engagement is an ongoing process that increases active participation, communication, and collaboration between parents, schools and communities with the goal of educating the whole child to ensure student achievement and success.

PARENT & FAMILY ENGAGEMENT PLAN

The school parent and family engagement plan establishes the school's expectations for family engagement and describes how the school will implement a number of specific parent engagement activities.

The parent and family engagement plan has several components that must be clearly defined for parents/families:

- What is Title I?
- What is Parent & Family Engagement?
- What is the school's plan for shared student achievement?
- How will parents be included and engaged?
- What are the School's Academic Goals?
- What opportunities will the school offer to build parent and staff capacity?

WHAT IS A SCHOOL-FAMILY COMPACT?

A school-parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers work together to ensure all students receive the individual support they need to reach and exceed grade level academic standards.
