WHAT IS TITLE I?

Toomer Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

SCHOOL PLAN FOR SHARED STUDENT ACHIEVEMENT

WHAT IS IT?

This is a plan that describes how Toomer Elementary will provide opportunities to improve family engagement to support student learning. Toomer Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Toomer Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

HOW IS IT REVISED?

Toomer Elementary School invited all parents to attend our annual Title I input meeting last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

WHO IS IT FOR?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Toomer Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

WHERE IS IT AVAILABLE?

The plan will also be posted on the school website and will be sent home in the students' communication folder.

SCHOOL-PARENT COMPACTS

As part of this plan, Toomer Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the Family Engagement Meetings. The school-parent compacts also are shared with parents during the school year. Please return the signature sheet to Ms. Clark, our Title I Parent Contact.

PARENT AND FAMILY ENGAGEMENT

Toomer Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school. That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

Toomer Elementary is committed to helping our parents and families attend the family activities listed in this policy. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.
